- Tailwind CSS:
- Daisy UI
- React Router
- Context API

Mobile App Development:

- Flutter: I have some experience but I don't want to use it again
- React Native: Interested to learn.

TECH STACK

ABOUT ME

I'm Kushal, a dedicated Computer Science student learning full-stack development, particularly within the JavaScript ecosystem. I'm on a journey to harness the potential of JavaScript for comprehensive web and mobile development.

My goal is to contribute to innovative projects, bringing my passion and enthusiasm for coding to the forefront. As I pursue, I aim to delve deeper into the world of full-stack development, honing my skills and making meaningful contributions.

WORK EXPERIENCE

Web Development learner

Development Platform HCK

Jun 23 - Sept 23 2023

This community originated from my college and comprised numerous developers who collaborated and learned web development together. During my active involvement, I utilized technologies such as React, Tailwind within this community.
